

Early Head Start – ECEAP – Intervention Age Form

This form can be used by Head Start, ECEAP, and SPP Plus providers to enroll children who turned three-years-old after the birth date cut off for the program year. Before starting, the child must have already turned three and must have previously been enrolled in either Early Head Start, Early ECEAP, or Early Intervention. The child's SPP enrollment must match their previous enrollment (i.e. children enrolled in Early Head Start must be enrolling into a Head Start seat; children enrolled in Early Intervention must be enrolling into an SPP Plus seat).

Seattle is a Welcoming City because we believe in inclusion and equity. City employees do not ask about citizenship status and serve all residents regardless of immigration status. Immigrants and refugees are welcome here.
